

Marquee Messages

Your school marquee is a constant billboard that parents and students look to daily for information and inspiration. This month, as part of our #KindVibes initiative for National Bullying Prevention Month, we encourage you to use the marquee to help spread #KindVibes. Here are a few ideas:

- #KindVibes Rule!
- Show us your #KindVibes
- No bullies! Just #KindVibes
- #KindVibes start here
- #KindVibes rock!
- We love #KindVibes
- #KindVibes can change the world!
- October is National Bullying Prevention Month - #KindVibes
