A Night in the Vineyard

A Night in the Vineyard (formerly known as *A Night at Roy's*) is an evening at Jacksonville Beach's new SoNapa Grille, featuring fine wines, cocktails, craft beer, live music, auctions and more! All proceeds from the event will benefit Monique Burr Foundation for Children.

Sponsorship Benefits

Becoming a sponsor for this signature event shows your commitment to protecting children and the prevention of child victimization, while also offering an impressionable marketing opportunity, quality networking opportunities with key members of the community, and a charitable night to remember.

Proceeds from this event support MBF Prevention Education Programs, which educate and empower youth with strategies to prevent, recognize, and respond appropriately to the four types of child abuse (physical, emotional, sexual, and neglect), bullying, cyberbullying, digital dangers, exploitation, and human trafficking. 95% of child sexual abuse is preventable through education. Children and teens need our programs more than ever, and your support and attendance will help ensure they receive them.
